

"Be The Best You Can Be"

Weekly Newsletter

2025/26

Issue Number: 8

Date: 07/11/25

Dear Parents and Carers,

Dear Students, Parents and Carers,

Welcome back to Term 2. I hope you all enjoyed a restful break and are feeling refreshed for the busy and exciting weeks ahead. It has been fantastic to see students return with such positivity, enthusiasm, and readiness to learn.

This term will see continued focus on strong attendance, high standards, and consistent effort across all year groups. For our examination cohorts, this is a particularly important period of preparation, and staff are ready to provide every support needed to help them reach their full potential. Alongside this, there will be plenty of opportunities for enrichment, leadership, and community involvement for all students to enjoy.

Thank you for your ongoing support and partnership in ensuring every student makes the most of their time at school. Together, we can make Term 2 another successful and rewarding chapter in the year.

Kind regards,

Dr R Speller
Principal

School**

Sixth Form

OPEN EVENING

Thursday 27th November

5pm - 7.30pm

- Bespoke Sixth Form Centre
- Exceptional facilities
- Development opportunities in all skills, not just academic
- Football & Golf Academies
- Dedicated mentoring from a Sixth Form team that really get to know you

Step Up and Sixth Form Open Evening

The Step Up Event will provide valuable insight into how you can best support your child as they prepare for their upcoming exams. You will hear from myself, as Director of Sixth Form, along with Mr. Labrou and the Directors of Learning for English, Maths, and Science. Together, we will outline the opportunities and resources available to help students succeed this year.

Attendees will also receive a bespoke revision guide for each core subject, created by our Directors of Learning.

Following this, the Sixth Form Open Evening will give you the opportunity to: Speak with our subject specialists across a wide range of A Level and vocational courses.

Meet representatives from universities to discuss pathways into higher education. Learn more about the supportive and ambitious environment we offer within our Sixth Form.

Subject areas will be located in the canteen and library throughout the evening. For those interested in our specialist academies:

The Football Academy talk will take place at 5:45pm, led by Mr. Sandmann, our Football Academy Manager.

Mr. Long, who has successfully launched our Golf Academy, will also be available to speak with families during the evening.

This event is an excellent opportunity to gather all the information you need to support your child's next steps — whether that's continuing with us at The Abbey School Sixth Form, moving to another institution, or pursuing an apprenticeship.

We would be delighted to see you and your son/daughter at this important event.

Please register your attendance by completing the following form:

[The Abbey School 6th form Open Evening 2025](#)

WELCOME TO THE ABBEY SCHOOL

Growing Together in Kindness

We would like to remind parents and carers of who we are and what we stand for. We are proud to be an integral part of the Faversham community - some of our students' families have roots here going back generations. Though our buildings, uniforms, and staff may have changed over time, our core values remain steadfast and we believe they always will.

We are a school that lives by our motto: "Be the Best You Can Be." As a dedicated team, we strive to nurture in our students a strong sense of character and purpose. We promote values such as aspiration, curiosity, integrity, persistence, altruism, creativity, resourcefulness, and reflection - and, perhaps most importantly in today's world, a deep commitment to community and responsibility.

We teach our students to treat others with respect and compassion, regardless of background. Everyone deserves to feel they belong - no matter their race, nationality, religion, sex, gender, age, disability or any other aspect of their identity.

At The Abbey School, we see diversity and inclusion as strengths to be celebrated. Our aim is to prepare students not only for academic achievement but to become kind, empathetic individuals who make a positive difference in the world. Because in the end, isn't it kindness that matters most - that we look out for one another, no matter our differences?

BUSY OVER THE BREAK?

If your son or daughter achieved something special over the half term break, we want to celebrate it!

Whether it's a sporting success, a creative project, volunteering, or a personal milestone, please send us the details (and a photo if you'd like!) so we can share their fantastic achievements.

Send us as much information as you like and we can post it on our socials so we can share the fantastic news with our community!

Email: info@abbey-school-faversham.co.uk

We look forward to hearing from you!

#BeTheBestYouCanBe

Anti-Bullying Week: Using Our Power for Good

This week, our students took part in an anti-bullying assembly supported by resources from the Anti-Bullying Alliance, exploring this year's theme: "Use Your Power for Good."

Students showed great maturity as they reflected on the different roles people can play in bullying situations and discussed how to safely upstand when they see unkindness. The discussion was underpinned by our ongoing commitment to the Nine Protected Characteristics and British Values, reminding students that respect, tolerance, and equality are at the heart of our Abbey community.

We also revisited how The Abbey School responds to bullying and unkind behaviour through our Check In, Check Up, Check Out system — our promise to every student that:

Check In: We'll listen and take you seriously. We'll keep you safe and record what happened.

Check Up: We'll update you on what's been done and continue to support you.

Check Out: We'll explain the outcome and remind you how to reach us if it happens again.

Students were thoughtful and engaged throughout:

Year 7 student: "I learnt that being kind isn't just about what you say — it's also about what you do when someone needs help."

Year 10 student: "The assembly made me think about how silence can sometimes make things worse — it's better to speak up and use your power for good."

Together, we pledged to ask ourselves:

When you see unkindness – will you stay silent, or use your power for good?

You can make a difference!

Are you passionate about making a difference in education and shaping the future of young learners? The Abbey School is seeking a dedicated **Parent Governor** to join our board and help support our school community.

Interested in joining us?

Email: sphillipson@thatrust.org.uk

Become a Parent Governor

- Help shape meaningful decisions that truly impact young lives.
- Grow and develop new skills in a rewarding role.
- Be part of a supportive organisation that truly makes a difference.
- Help us remove barriers to education.

Email: sphillipson@thatrust.org.uk

What we offer:

- Enjoy a flexible commitment that fits around your schedule.
- Access comprehensive support and training to help you thrive in your role.
- Take advantage of valuable professional development opportunities.

GARDENING & CRAFT CLUB

Gardening and Craft club - Tuesdays - meet in C11 at 3:30-4:30

Since September, we have been working on making poppies out of felt and yarn for a remembrance wreath. Staff have also generously contributed to this. The purple poppies represent animals that were involved in wars.

Some students from Abbey school will be presenting this to Ospringe primary school on remembrance day, when we take their service.

From next week, we will be starting Christmas advent wreaths. Each member will make their own wreath with decorations and pom poms, and take them home at the end of the term to decorate their homes.

We would really like to see you at the club, so please come along!

FOCUS ON RE: PILGRIMAGE TO LOURDES, IN FRANCE.

In GCSE RE we study Christian pilgrimage. Every year, Lourdes is visited by millions of pilgrims, particularly Catholics. They come to Lourdes to see the site of a famous vision experienced of Mary, by a young girl called Bernadette Soubirous and to be healed by its supposedly miraculous waters. Christian pilgrims now visit and pray in the Sanctuary of Our Lady of Lourdes and worship at the grotto where the vision is said to have taken place. Lourdes is considered a special place to visit because prayers and services are believed to bring real blessings to the pilgrim.

Below is an account of one student's pilgrimage to this sacred place.

In the summer holidays my family and I went to see the religious site of Lourdes, we spent hours walking around a taking photos of the superb architecture. One of the most amazing things we did was queue and went to the grotto of Massabielle and got to touch and run our hands across the rock of Massabielle, as you do so you can pray to God. In the church we got to sit in one of the services. It was so lovely to see all the inscriptions on the walls of messages from people that got healed at Lourdes. I was fortunate enough to go during a national pilgrimage, and it was so nice to see so many people coming together and praying. My auntie brought my cousins and I a little trinket bottle with holy water from Lourdes in. It's a lovely keep sake. I would truly recommend to go if you have the chance, it was amazing, educational and spiritual.

SPOTLIGHT ON.... PERSONAL DEVELOPMENT

'Personal Development' is a term we hear often these days - both in schools and in the workplace. But as parents, you might wonder what it really means and how it impacts your son or daughter.

In line with government expectations, Personal Development is the part of the school curriculum that goes beyond academic, technical, or vocational learning. It's about helping students grow as individuals - supporting them to develop the knowledge, skills, and values they need to thrive in all areas of life.

At The Abbey School, our Personal Development curriculum encourages students to explore important themes such as equality, respect, relationships, online safety, mental and physical health, and preparation for adult life. These lessons are designed to help students build confidence, resilience, empathy, and independence as they progress through school.

The key takeaway is that Personal Development is made up of many connected parts, all working together to help each student reach what we call their BIG END GOAL. (We use capitals because it's an important one!) By the time students leave The Abbey School, we aim for them to have developed the knowledge and attributes that support their own and others' wellbeing and success, and to become happy, confident adults who make a positive contribution to society (Secretary of State, 2021).

Of course, achieving this goal involves many different elements working together. To help explain this, we use the analogy of a 'School Backpack', which represents the various components that make up each student's Personal Development journey. You can see the illustration below and it can also be found in your son or daughter's planner

We are also fully aware of the updated 2025 RSHE guidance and are currently reviewing our curriculum to ensure that all new recommendations - including those relating to online safety, consent, mental health, and respectful relationships - are reflected in what we offer. Our goal is to make sure The Abbey School continues to provide a relevant, inclusive, and up-to-date Personal Development programme that prepares every student for life beyond school.

If you would like further information on anything that you have read above, please get in touch via The Abbey Helpdesk using the subject line: Personal Development.

This finally leads to sharing with you what is being delivered to your son or daughter in PSHE/RSE during Term 2, either during tutor time or in Core Lessons for Sixth Form students. We will give you a termly update of what is being covered so that you can continue to support their learning and discussions at home.

Year Group	Topic
7	Living in the wider world Equality Act 2010 – Learn how the law protects people from unfair treatment. Courts & Tribunals – Find out how legal disputes are settled fairly. Making Sense of Money – Understand how money works in everyday life. Budgeting Basics – Learn how to plan your spending and save wisely. Bank Accounts – Discover how to use different bank accounts safely. Smart Saving – Pick up tips on saving money and reaching your goals.
8	Health and Wellbeing Sharing Information Online – Learn how to stay safe and protect your privacy when posting online. The Limitless Internet – Explore how the internet connects people and ideas all over the world. Viewing Harmful Content – Understand what to do if you see something upsetting or unsafe online. Gender-Based Discrimination – Learn why everyone deserves respect, regardless of gender. Racism and Discrimination – Understand the impact of racism and how to challenge unfair treatment. Homophobia – Learn about inclusion and why it's important to respect everyone's identity.
9	Relationships and Sex Education Safe & Healthy Sex – Learn how to make safe, responsible choices in relationships. Sexually Transmitted Infections – Understand how STIs spread and how to protect yourself. Reproductive Health – Find out how to look after your body and understand how it works. Pregnancy Choices – Learn about the options and support available during pregnancy. Forced Marriages – Understand why consent matters and how to get help if you're worried. Respecting Transgender Identities – Learn about gender identity and the importance of respect for everyone.
10	Relationships and Sex Education The Spectrum of Relationships – Learn about different types of healthy and respectful relationships. Recognising Signs of Coercive Control – Understand how to spot and respond to controlling or harmful behaviour. Sexting – Find out how to stay safe and understand the risks of sharing images online. The Distorted Reality of Pornography – Learn how porn can give false ideas about relationships and consent. Fertility & Reproductive Health – Understand how the body works and how to look after reproductive health. Self-Examination and Screening – Learn how to check your own health and the importance of regular screenings.
11	Exam Stress Fertility & Pregnancy – Learn how pregnancy happens and how to make informed choices. Forced & Arranged Marriages – Understand the difference between the two and why consent is essential. Contraception Considerations – Find out about different contraception methods and how they work. Sex & Substances – Learn how alcohol or drugs can affect decision-making and consent. Safe Relationships Online – Understand how to build healthy, respectful connections in digital spaces. Sexual Violence & Abuse – Learn what consent means, how to get help, and how to support others.
12	Health and Wellbeing Caring for Your Mental Health – Learn ways to look after your wellbeing and manage stress. Optimism – Discover how a positive mindset can help you face challenges. Exploring Emotional Intelligence – Understand your emotions and how to respond to others with empathy. Help-Seeking and Peer Support – Know when and how to ask for help, and how to support friends. The Science of Flow – Learn how focus and enjoyment can boost motivation and performance. Navigating Conflict – Explore healthy ways to manage disagreements and find solutions.
13	Health and Wellbeing Substance Use & The Law – Learn about the effects of drugs and alcohol and the laws around their use. Overcoming Mob Mentality – Understand how group pressure can influence behaviour and how to make your own choices. Criminal Exploitation – Learn how some people take advantage of others and how to stay safe and seek help.

A man with short brown hair, wearing a grey suit jacket, a white shirt, a patterned tie, and a white apron, is leaning over a table. His apron and the sleeves of his white shirt are splattered with red paint. He is focused on a craft project, possibly a mask or a sculpture, which is partially visible on the table. The background is a blurred indoor setting.

“Every single staff member and student was so welcoming, in every single classroom and every corridor.”

ATTENDANCE MATTERS AT THE ABBEY SCHOOL

You may have noticed that we've have started using our new Attend system more regularly to communicate with you about your child's attendance. These updates are designed to keep you informed about your child's attendance percentage, celebrate positive attendance, and let you know how many more days are needed to reach the next attendance milestone.

Our goal is to make it easier for parents and carers to stay up to date and to identify any issues that may be affecting your child's attendance. If you have any concerns or circumstances you'd like us to be aware of, please don't hesitate to get in touch with our attendance team.

Attendance Contacts:

Miss L. Thomson (Attendance Manager) – lthomson@abbeyschoolfaversham.co.uk

Miss I. Streatfield (Attendance Officer) – attendance@abbeyschoolfaversham.co.uk

Miss K. Rickard (Attendance Officer) – attendance@abbeyschoolfaversham.co.uk

Attendance Golden Tickets

At The Abbey School, we love celebrating great attendance! Every student who attends school for a full week receives an Attendance Golden Ticket. Each ticket earns them an entry into our end-of-term prize draw, meaning the more full weeks they attend, the greater their chance of winning!

This term's prizes: Four lucky students will each win a £50 Amazon voucher — simply for being in school!

Remember: You've got to be in to win!

Weekly Attendance Rewards

We've listened to our students' feedback and have introduced more frequent, smaller rewards to recognise consistent attendance and progress toward individual goals. Each Friday during afternoon line-up, we'll hand out fun prizes such as pens, sweets, motivational notepads, squishes, and other treats!

Winners will be selected from those with 100% attendance for the week and students who have achieved their attendance milestone.

100% Attendance – End of Year Rewards

We're thrilled to announce this year's 100% attendance rewards! Students who achieve full attendance for the entire academic year will be entered into a special prize draw to win:

A brand-new PlayStation 5
A brand-new Laptop
A brand-new Tablet

We may even add more prizes later in the year!

We also recognise that some students have medical conditions that may require unavoidable absences for appointments. These students will still be included in our prize draws where appropriate.

2025 /26 CHARITY

A massive thank you to everyone who took part in our non-uniform day on the final day of term! We managed to raise around

£1000!

We hope to raise even more money over the upcoming terms!

Well done everyone.

PASTORAL SPOTLIGHT ON.... WINTER WELLBEING

It is the time of year again when the nights are drawing in and the temperature is dropping.
Some people love this time of year, and some find this time of year hard.

It is important to look after ourselves as Winter approaches – not just physically but mentally and emotionally.

What can we do to look after our physical health?

Maintain good sleep habits and a bedtime routine

Try to eat healthily - comfort food can be a mood booster but is not a substitution for healthy food.

Exercise – even a short walk a day is beneficial – our bodies need light and fresh air which can also help with air borne illnesses such as coughs and colds.

In the darker evenings, make sure you stay safe on the roads – avoid looking at phones while walking and crossing roads.

What can we do to look after our mental and emotional health?

Try to support your physical health as this has a direct impact on mental wellbeing.

Reach out to someone if you are struggling – this time of year can be hard and with Christmas approaching it can also be challenging emotionally.

This is a great time of year to embrace hobbies – such as drawing, reading or craft projects.

Join one of our amazing Extra Curricular clubs here at school – there is something for everyone on offer!

Stay safe and have a Wonderful Winter

Please reach out to us if you need support, help or advice –
pastoralhub@abbey-school-faversham.co.uk

EXTRA CURRICULAR PROGRAMME TERM 2

This term, our extracurricular programme is full of exciting opportunities, with something to suit everyone's interests. There are sports, creative clubs and new activities to try out. Joining in is not just about fun, it's also a chance to discover new talents, meet different people, and grow in confidence.

Trying new things is especially valuable because it helps you step outside your comfort zone. You may uncover hidden skills you didn't know you had, or find a passion that could shape your future. It also teaches resilience, problem-solving, and teamwork skills that are useful both in and out of school.

Most importantly, extracurricular activities bring balance to your life. They give you a break from classroom learning while still helping you develop in meaningful ways. Whether you continue with something familiar or try something completely new, you'll gain experiences and memories that will last well beyond this term.

Click the image below to see what is happening this term!

The Abbey School

A SPECIAL PLACE WHERE LEARNING NEVER STOPS

Mr Green - SRP Lead

Growing up I had my own challenges with access to education. You may find it hard to believe but for a long time I couldn't really read and write, and rather than listening to support I displayed my frustrations through behaviour. I was bright but I was embarrassed to be different as I just couldn't put my ideas down on paper. Turns out I was dyslexic. I have a wonderful mum who helped me to learn how to read and write. Even today I still make mistakes, however the difference is I don't worry about it too much as everyone gets things wrong sometimes don't they?

Once I knew what was going on, and learnt strategies to help myself, I really started to enjoy education.

I began my career in education at the Abbey in 2014 working in the original Personalised Education Centre where I quickly realised I wanted to teach. Never one to rest on my laurels, I obtained my degree and started teaching Religious Studies. It was a journey, but I went on to become Head of Department and also completed my masters in leadership!

I felt though, that I could give more. I can recognise and empathise with the challenges some students experience with learning and understand the frustrations this brings. This is why I have joined the SEND team as the SRP lead. I want to show our students that no matter the barriers, they can 'be the best they can be'. I am currently studying for my PgCert in Inclusion for Autistic Young People. My research is growing and enhancing my knowledge about the best ways to support our students with SEND, and armed with this learning, myself and the team will steer your children so they can be successful in anything they want to, whilst also, most importantly, they learn to be happy within themselves.

THE ABBEY SCHOOL REMEMBERS

Remembrance Day

As part of our whole-school Remembrance commemoration, students who are members of uniformed organisations such as Scouts, Guides, St John Ambulance, or similar groups are invited to wear their full uniform to school on Tuesday 11th November.

We will be holding a 2 minute silence on the playground.

During Form Time, poppies will also be available to purchase.

Let's stand together in gratitude and kindness.

Lest We Forget.

Consultation on our new Relationships, Sex and Health Education (RSHE) Policy

Thank you to everyone who took part in our RSHE (Relationships, Sex and Health Education) policy consultation. The consultation period has now closed, and we are very grateful for the thoughtful feedback and suggestions we received from members of our school community.

Your views have been invaluable in helping us ensure that our RSHE curriculum remains age-appropriate, inclusive, and reflective of the values of The Abbey School.

The updated policy has now been approved by our Governors and will be published on our school website under the Policies section. We encourage parents and carers to read the final version once it is live.

Thank you once again for your engagement and continued support in helping us deliver a high-quality Personal Development and RSHE curriculum for all students.

Warm regards,

Mrs A. Le Brunn-Healey

Assistant Principal – Personal Development

Work Experience Programme for Year 10 Students 2026

We are pleased to announce that our Work Experience Programme for Year 10 students, taking place from Monday 29th June to Friday 4th July 2026. This compulsory, week-long placement gives students the opportunity to step away from their usual school timetable and gain invaluable first-hand experience in the world of work.

To introduce the programme, we will be holding an assembly for all Year 10 students, where they will receive clear guidance on how to source, apply for, and follow up on work placements. This session will also offer practical advice on approaching employers and making the most of this experience.

Why Work Experience Matters

At this important stage of their education, work experience plays a vital role in helping students:

- Explore potential career paths and industries of interest
- Build independence and confidence through real-world experience
- Enhance CVs and future applications for sixth form, college, apprenticeships, or university
- Develop transferable skills, such as communication, teamwork, and problem-solving

Students are expected to arrange their own placement, ideally in a field that interests them. This process not only gives students a sense of ownership over their future, but also helps them develop essential skills for future job searches and applications.

Supporting Your Child

We ask for your support in encouraging your child to actively pursue a placement that aligns with their interests or future aspirations. Whether it's in healthcare, business, the arts, engineering, education, or another field, every experience will help broaden their understanding of the working world.

Students will be guided through the process in school, and I will be available to offer support and advice as needed.

This is a fantastic opportunity for our students to gain meaningful insight into the world beyond school, and we look forward to seeing the positive impact it will have on their confidence, motivation, and future goals.

Mrs Priestley
Careers Support Co-ordinator

THE HISTORICAL SOCIETY

The Historical Society will be started on Monday with Mr Roberts. The first film we will learn the history behind is Pirates of the Caribbean. If you want your child to join, please complete the form that was sent to all parents/carers/guardians in Years 7-10.

ABBNEY SCHOOL HISTORICAL SOCIETY

CAREER SPOTLIGHT OF THE WEEK: **LAW (SOLICITOR, BARRISTER, LEGAL RESEARCHER)**

Do you love debating ideas, digging into evidence, or solving tricky problems? Then a career in Law might be right up your street!

Studying History gives you a brilliant head start. When you analyse sources, weigh up different viewpoints, and build strong arguments in your essays, you're actually practising many of the same skills that lawyers use every day. Solicitors and barristers spend their time researching cases, interpreting laws, advising clients, and presenting arguments in court — all jobs that need sharp minds and clear communication.

Law isn't just about courtrooms and dramatic speeches (though there's some of that too!). It's also about helping people, protecting rights, and making sure society runs fairly — from drafting contracts and working in human rights, to advising businesses or even working for the government.

Many universities and law schools love History students because you already know how to think critically, argue persuasively, and write with confidence — key qualities for success in legal training and beyond.

For any questions relating to Careers

Please contact spriestley@abbeyschoolfaversham.co.uk

SUPPORTING EXAM STRESS AND WELLBEING

As part of the Personal Development programme, our Year 11, 12 and 13 students have been provided with helpful resources from Kooth, an award-winning online mental health and wellbeing platform.

Kooth offers free, safe and anonymous support for young people, including:

- One-to-one chats with qualified counsellors,
- Helpful articles and wellbeing activities,
- Peer support through moderated discussion boards, and
- Tools to track mood and set personal goals.

With mock exams approaching next week, we know many students may be feeling more anxious. These resources are designed to help them manage stress, build resilience and maintain balance during the exam period.

How you can support at home:

- Encourage regular breaks, rest, and healthy routines.
- Listen without judgement — sometimes talking helps most.
- Remind them that effort and progress matter more than perfection.
- Visit www.kooth.com together to explore the support available.

We're incredibly proud of our students' dedication and will continue to provide both academic and emotional support throughout the exam season.

The Abbey
School

THE HOWARD
Academy Trust

Odd Socks Day!

Monday 10th November

Odd Socks Day!

We're inviting all staff and students to take part in Odd Socks Day to show your support for Anti-Bullying Week here at The Abbey School.

Wear your odd socks with pride and help us celebrate what makes each of us unique. It's a fun way to remind everyone that being different is something to celebrate!

Be proud. Be kind. Be you.

That's your Power for Good.

E-scooters – are you breaking the law?

Can I ride my e-scooter to school or work?

No, it's Illegal...

E-scooters are classed as motor vehicles and are required to be taxed and insured. It's not possible to get insurance for privately owned e-scooters, which means it's illegal to use them.

Can I ride my e-scooter on the pavement?

No, it's Illegal...

You cannot use e-scooters on public footpaths, cycle lanes or roads.

What happens if I'm caught using my e-scooter in public spaces?

The scooter may be seized and as a result, destroyed.

If stopped by an officer, you may be asked to complete a breath and drugs test. You also risk a £300 fine and six penalty points on your licence for no insurance.

**Kent
Police**

Think before you buy:

The number of electrical scooters being used on our streets has risen, as well as reports of serious injury and fatalities.

For more information and advice on the use of e-scooters visit www.kent.police.uk/road-safety

Consideration In The Community

Most of you are wonderful ambassadors of the school through your kind and considerate actions towards others in our local community, especially when travelling to and from school.

Remember it is **not** fair for anyone to be allowed to deliberately make life miserable for others. **We will never tolerate nasty behaviour, thoughtless actions or bullying towards those in our school or in the local community.** In school always ask an adult for help if you are being treated unkindly or if you feel frustrated about the way others are treating you. **In the community** we need to show we are caring and considerate towards those who live and work near the school, so everyone feels safe and happy when they meet Abbey students.

DO

Move aside on the pavement to allow to use it.

Speak using appropriate tone and at a sensible level to those you are with, using language that is not offensive or swearing.

Cross roads safely, using the bridge to navigate the A3 and by looking up and checking the traffic for all other streets where there are no pedestrian crossing facilities

Respect residents' property by walking on the pavements, keeping away from cars, bin, doors and driveways. Be polite to those who live near our school.

DO NOT

Monopolise the whole pavement space by walking in a group forcing elderly, those with prams or indeed anyone from the community into the road.

Shriek, shout, threaten or swear to those around you, be they friends, members of the public or students who attend other schools - this is intimidating behaviour brings our school into disrepute and this will be followed up and dealt with.

Run across the A3, this is a busy road with TWO speed cameras on it for a reason - the number of accidents. **DO NOT** become a statistic (injured or worse). Do not walk out directly in front of cars and expect them to stop.

Trespass onto people's property or cause damage to their property, if this happens residents should report this to the police, and we will always help the police identify who has caused the problem so they can take the action they need to (this could include prosecution for criminal damage or harassment etc).

POETRY LIVE

Quick! Buy Poetry Live tickets before the closing date!

Apollo Victoria Theatre, London, on Thursday 13th February 2026.

This inspiring event brings GCSE poets to life – students will hear live readings, gain insight into exam texts, and take part in a Q&A with some of the UK's most celebrated contemporary poets.

Tickets: £38.33 (available from Monday 15th September via Arbor)

Spaces are limited – book early to secure your place!

Don't miss this unforgettable opportunity to boost GCSE Literature skills and enjoy poetry in a whole new way!

Sparx Maths Homework Help

Come and see Mr Sargeant in B13 at lunch time to get help logging in, help with your work, or some quiet time just to get your homework completed. All students welcome!

Year 7 and 11 - Monday lunch time
Year 8, 9 and 10 - Thursday lunch time

You can also use homework club (Mondays - Thursdays from 3:30pm in B13) to use the IT facilities to get your homework completed. The maths classrooms are in the same corridor if you need any help!

Remember, you can log in with your single sign-in Microsoft details. If you are having trouble logging in, check your capital letters, check for typing errors or come and see IT to reset your password. It is your responsibility to make sure you can log in.

STARS OF THE WEEK

Well done to the following students for collecting the most house points this week!
KEEP UP THE AMAZING WORK!

Ava C
Year 9
48HP

Ikmat M
Year 7

Staggered Dismissal Times

Staggered dismissal times have now been replaced with afternoon line up on the playground. Each year will then be dismissed one at a time in no particular order. In the event of wet weather, afternoon line up will be cancelled and we will revert to dismissing each year group one at a time from their classrooms.

NO EXCUSE FOR ABUSE

At The Abbey School, we strive to create a **safe and secure** environment for the school community. Our school is a **welcoming and inclusive place** where we all show one another respect and look out for each other.

We will not tolerate any **threatening, abusive or violent** behaviour and action will be taken when necessary.
