Faversham Golf Club

Nestled into the rolling Kent countryside, Faversham Golf Club is a one of the nicest golf courses in Kent. Located within the historic Belmont Estate, Faversham has everything you might expect from an established parkland course: manicured tree-lined fairways, well-conditioned tees and greens, imaginatively sculpted holes, all of which complement the beautiful surroundings.

Our new practice area, has recently benefited from significant investment and includes covered bays which enables practise in all weather conditions. We are fortunate to have two separate practice putting and chipping greens here at Faversham.

In addition to this there is also a short game practice area, which hosts a practice green allowing approach shots from 140 yards, coupled with various shorter targets and a practice bunker to hone your short game.

Faversham is a fantastic club to develop your golfing ability, the challenging nature of the course, the superb practice facilities and the excellent coaching enable players to make great progress
