We are so pleased that your son/daughter had chosen to attend the trip on Tuesday 19 July to the *School Superbloom Tower of London Project*.

We wanted to share with you a brief itinerary for the day and some other useful information.

- **11:27** – Arrive at London Bridge and walk to The Tower of London (15 mins)

When we arrive at Faversham Station and the trip is finished, it is up to the parent/carer how the child makes their way home. They can: walk home from the station, get collected from the station, or walk back to school and get collected from outside the Sports Centre. Please discuss with you son/daughter prior to Tuesday 19th July.

Other useful information for your son/daughter:

- Send them with a packed lunch, drink and snacks. **For Free School Meals, then they will need to collect their lunch from the canteen at 8:30am**
- They **are allowed** to wear their own clothes and we would advise comfortable footwear (No short shorts or flip flops and their top/ t-shirt should cover shoulders and bellies)
- Bring sun cream and a hat
- Bring a pen but other equipment is not necessary
- Bring a fully charged mobile phone (if you have one) to contact parents at the end of the day
- Bring a small amount of money (optional) for a gift in the gift shop.
- A leaflet of useful information for you and your child is enclosed

If your son/daughter is **running late** or are **absent** on the day of the trip, please call **07706321951** (trip emergency phone) before 8:45 in the morning. If your son/daughter has a medical condition that requires medication, please make sure that you send this with them. If you have any questions, please do not hesitate to get in touch: alebrunn-healey@abbey-school-faversham.co.uk or 01795 532633

Finally, please be aware that the forecast for Tuesday in London is currently predicted to be up to 40° so if staff at school or at the Tower consider this to be a health and safety concern, we may have to cancel the trip at short notice.

Many thanks
