MESSAGE FROM THE HEADTEACHER

It's wonderful to have all the students back in school and we've had a fabulous start to the new term celebrating some exceptional results of last year's 11s and 13s which we'll share with you next week.

However, it is with immense sadness that today the school community have marked the death of Her Majesty, Queen Elizabeth II. There will be a series of assemblies and classroom-based activities that children will be involved in which will continue over the 10 days of mourning. Books of condolence will be opened at St Mary of Charity Church and at the Town Hall in the Market Place. We will also be laying a floral tribute in the Memorial Garden in Stone Street (opposite the Cottage Hospital).

Finally, you will be aware that the year 7 sponsored walk has been moved to next Friday due to the inclement weather we've had this week. Also, our new catering company have shared some information regarding their provision; we thoroughly recommend that parents have a look and encourage those that have not previously tried a school meal to do so.

Hopefully, we will be able to share with you some celebratory news next week.

Have a lovely weekend.

Dr R Speller
Headteacher
