Spotlight on...Sporting Success

How many of us are familiar with FUTSAL? Futsal is an exciting, fast-paced form of the game that originates in South America. Played on hard pitches with small-sided teams, Futsal places emphasis on technical skill in restricted spaces. The national futsal team represents England during international futsal competitions such as the FIFA Futsal World Cup and the European Championships. It is under the direction of The Football Association.

We are delighted and proud to announce that 6th form Abbey student, Harry Sikirwayi, is a member of the England team that are currently taking part in the UEFA European Under-19 Futsal Championships.

Harry played a major role in a recent preliminary round scoring a fantastic goal in an exciting 5-4 win against Estonia!

The final qualifying game vs Lithuania is on Saturday at 4.30pm with an opportunity to travel to Italy if they remain undefeated.

Fundraising

Thank you to all our students and members of the community who have supported our charities in recent months either through, non-uniform, bake sales, auctions, raffles etc. It's great to know there's plenty of altruism in our community and hard-working volunteers willing to put themselves forward to lead on fundraising initiatives. We had a lovely 'thank you' message this week for our support with The Fire Fighters' Charity.
