Spotlight on... Sixth Form Careers Events

On Tuesday, we welcomed the University of Greenwich. Our first session was an assembly looking at progression opportunities into HTQs. 6th form students have been given an insight into a different route where the qualification will provide them with technical skills to secure jobs in specific industries.

During the sessions, Greenwich University were joined by Charlton Athletic Community Trust to deliver further information surrounding qualifications specifically aligned to sport careers. 6th form sport science students were joined by some year 11 students, to gain an understanding into Sport related HTQs and the progression opportunities these can provide.
